

1 Hardwicke and I have one, which was placed into the printing  
2 room I believe ahead of the other one and their estimate  
3 of time is about 15 minutes.

4 THE CHAIRMAN: Any other amendments?

5 Delegate Scanlan.

6 DELEGATE SCANLAN: Could I ask Delegate Carson  
7 just the import of his amendment?

8 Is it possible if it was a short one maybe  
9 we could suspend the rules and vote on it before it reaches  
10 us?

11 THE CHAIRMAN: Delegate Carson, can you state  
12 what the amendment is?

13 DELEGATE CARSON: I think so, Delegate Scanlan.  
14 Our amendment will have the effect of taking out the words,  
15 presentment or, because we believe they are unnecessary,  
16 on line 46, and substituting for lines 47, 48 and 49 the  
17 words, except in cases arising in the militia  
18 while in actual service.

19 That would make that latter language the same  
20 as -we have already voted on with regard to GP -- I believe  
21 No. 4, with regard to the militia.
